**BUILT  
TO HIDE  
THE UGLY**

**INSTALL  
GUIDE**

## **EASY DIY SETUP**

- 1** Unpack and stand up the 2 x end walls. Fit the back wall channels and slats.
- 2** Attach the door and roof panels using the hinges provided.
- 3** Install the hardware as provided and you're done! It's as easy as that.

### **Can't find the size to suit?**

We also do custom size Uglees. Send us an email with your ideal dimensions and we'll make it!
